Art Can Change Lives

Creative expression can foster healing from trauma and abuse. Afterschool art programming gives at-risk youth a safe place to be a kid while also providing mentorship and tutoring from art instructors. The integration of teaching artists in underperforming schools enhances reading, math and science comprehension, opening the door to a love of learning.

For these reasons, Allied Arts is committed to supporting youth arts education to spark children's creativity and inspire them to dream big.

With **you** art can change a life.

Dear Bill,

Thank you for your generous donation of \$1,000.00 by check dated 10/19/2023 to Positive Tomorrows, Oklahoma's only school and social services agency specifically serving children and families experiencing homelessness. Because of you, our students are ready to succeed this school year.

Fall means change for school-aged children – going back to school, meeting new teachers and new classmates. It's a time when children need a little extra love and stability. For students experiencing homelessness, it can be scary. If they move, will the school bus be able to find them? Will they have the right supplies?

On the first day of school at Positive Tomorrows, nervous kiddos hopped off the bus and made their way to breakfast. They were greeted by smiling teachers and backpacks full of school supplies. Before they even arrived, we were ready for them.

During snack time that afternoon, fourth grader Lylah looked up at her teacher with bright eyes and said, "This is the best class ever! I am having so much fun." Because of you, our students feel safe, confident, and excited as they embark on a new year.

Thank you for ensuring that the children and families we work alongside have the tools they need to create a brighter future.

Sincerely,

Dear Mr. Schouechev:

Thank you for the difference and **Impact** you made in supporting the recent Gold Medal Gala benefitting Special Olympics Oklahoma. This year's gala was such a great success because of your contribution and support, and the support of others that take seriously the effort of Special Olympics Oklahoma. The gala raised \$160,000 in support of 12,000 Special Olympics athletes in Oklahoma.

This year we honored Dr. Kaycee Shrum, President of Oklahoma State University and we could not have had a better Honoree. Both Dr. Shrum and Oklahoma State University are such great supporters of Special Olympics, and it was an honor to recognize all the support they have given us.

This next year the annual Special Olympics Oklahoma Summer Games will be held in Stillwater at Oklahoma State University from May 15 - 17 and we hope you can be a part of such a special event. We expect in excess of 5,000 Special Olympics athletes to participate with volunteers numbering in the thousands.

Thank you, again, for your continuing support of Special Olympics Oklahoma and we hope you can experience the Summer Games with us in May. We are already preparing for the Gold Medal Gala in September 2024 and will send out a save-the-date reminder in the near future.

Dear Ms. Garrett:

On behalf of our 12,100 Special Olympics athletes in our state and our volunteer board of directors, we want to thank you for your \$2,500 contribution to our *Gold Medal Gala*.

Since 1969, Special Olympics Oklahoma has provided life-changing sports, health, and education programs for thousands of children and adults with intellectual disabilities across Oklahoma. The Special Olympics movement unlocks the joy of sport to inspire people to open their minds to human giftedness; to accept, include, and value people with intellectual disabilities; and to unite people in a shared belief of a more just and welcoming community. Events like the *Gold Medal Gala* help make this possible.

Thank you again for your support. You inspire greatness in each athlete who benefits from your contribution while the courage and dedication of our many athletes inspires all of us. Your support plays an important part in reaching the goals of *Special Olympics Oklahoma*.

Dear Bill,

Thank you for your generous sponsorship of our Centennial Campaign Two-Day Kickoff in honor of our 100th Anniversary. Because of IBC Bank's support, this first-ever two-day extravaganza was a tremendous success!

We were thrilled to host a lovely wine reception and then spend an exciting (and hot) afternoon among more than 300 corporate and community partners at the Love's Travel Stops Stage & Great Lawn at Scissortail Park for the third annual *The Hole Shebang!* More than 160 players competed in the main tournament with an additional 10 executive teams going head-to-head in the Boss Toss CEO Challenge.

Congratulations to Manhattan Construction, who won the Boss Toss, and congratulations to OG&E, who took home the Traveling Corn Hole Cup, securing first place in the main tournament!

We were also pleased to host a Partner Agency-specific tournament at *The Hole Shebang!* Congratulations to the first pair of champions, HeartLine and Tinker Youth Programs!

The two-day kickoff served as a fundraiser to support the goals of our 2023 campaign. With IBC Bank's help as a kickoff sponsor, we were able to raise nearly \$60,000 that will go to fund 144 life-saving programs at our 70 Partner Agencies.

Thank you for tossing to ensure our Partner Agencies have the resources they need to take care of our neighbors today and for the next 100 years.

Mr. Bill P. Schonacher

Dear Mr. Schonacher:

Thank you for your support and commitment to United Way of Central Oklahoma. Enclosed you will find documentation on United Way partner agency programs that we believe meet the criteria to be considered as qualified investments for the Community Reinvestment Act (CRA) exam credit. The enclosed table lists United Way funded programs by agency along with the number of clients those agencies serve and the percentage of those clients whose family income falls below \$59,950 (80% low-income limit for 2022 for a family of four as published in the HUD Income Limits Documentation System).

In addition, the table shows which of the provisions of the CRA the program falls under as a qualified investment. Supporting documentation for the data in the table is available at United Way of Central Oklahoma and at the specified Partner Agency.

The enclosed table indicates that close to **61.87%** of the total funds allocated by United Way to partner agencies were directed to services for clients whose family income is less than \$59,950. The table also shows that income data was collected on **77.04%** of the program funds. The funded services address needs for education, health care, social services, childcare, employment and other health and human service needs of low and moderate-income individuals and families. In addition, many of these programs provide credit counseling, offer technical assistance to other nonprofit organizations, or address housing needs, including funding homeless shelters. Programs addressing some or all of these needs can be considered as potentially qualified investments under the CRA.

We developed this table in consultation with staff in the Consumer Affairs department of the Examinations and Inspections Division of the Federal Reserve Bank of Kansas City as well as with input from the FFIEC. We believe that the data therein demonstrates that IBC Bank's corporate gift of \$9,519.60 to United Way of Central Oklahoma should be considered for eligibility as a qualified investment under the terms of the Community Reinvestment Act.

If you have questions, please contact ygalvan@unitedwayokc.org or (405) 236-8441. Thank you for your commitment to building a stronger, healthier more compassionate community for all.

Dear Bill,

Thank you so much for your \$2,000.00 sponsorship for YWCA OKC's 2023 Purple Sash Gala. Your Rising Star Sponsorship ensures you the following benefits:

- 4 tickets to the event for you and your guests
- Listing on event program
- Listing of name in YWCA OKC's annual report and on website

Women and children come to YWCA OKC to rebuild their lives after escaping violence in their home. Often they show up with little or nothing. YWCA OKC helps meet their immediate needs, whether it is food, medical care or simply a place to rest for a while; then we start the process of helping them heal from their abuse. YWCA OKC relies on generous donors like you so we can continue providing these vital services to victims of domestic violence and sexual assault during their darkest hours.

We can't thank you enough for your generous support of our mission. Thanks to your contribution to Purple Sash, women and children across Central Oklahoma will receive the help – and hope – that they so desperately need.

Sincerely,

Gwen Lang
Chief Operating Officer

Sami Grega
Director of Donor Engagement

*Thank you
Bill!*

Note: For IRS reporting purposes, \$168.00 material value was received in exchange for your generous contribution.
