*Making Independence Possible*

January 21, 2022

Robert Barnes, President  
IBC Bank  
2817 E. Cesar Chavez  
Austin, TX 78702

Dear Mr. Barnes,

Thank you very much for IBC Bank's 2021 donations to AIM totaling \$500.00. AIM acknowledges that no goods nor services of any kind were received for this donation. Please note that donations received through the Amplify Austin giving campaign were acknowledged separately and directly from Amplify Austin, and any donations made through the Amplify giving campaign are not reflected in the total donation amount listed above.

AIMers love their independence, and they frequently amaze their families by demonstrating how far they have come in growing into adults who, despite significant disabilities, manage to do so much for themselves. Nevertheless, we know that their independence simply would not be possible without the innovative support and community they receive from AIM.

That is where you, our wonderful donors, come in. AIM could not provide the community in which AIMers are thriving without you. We are funded entirely by fundraisers and donations, so your support is essential.

From the bottom of our hearts, thank you for helping AIM make independence possible for the adults with disabilities whom we serve.

Truly yours,

  
Ashley Sanchez

Board President

Dear Gus,

On behalf of the American Heart Association, **thank you for your generous contribution to the 2022 Corpus Christi Go Red for Women campaign as a \$1,000 donor.** We are so thankful for your contribution and commitment to support women. Your investment is vital and helps with research to find a cure for women's NUMBER ONE health threat – heart disease.

Because of your support and the support of other donors, the American Heart Association continues to keep you, your loved ones, and our community safe from heart disease and stroke. Since 1924, we have made great strides in research, education, and prevention because of donors like you. However, the cost of cardiovascular disease continues to rise; and funding remains critical to our mission. Cardiovascular disease is the #1 killer of men and women, and stroke continues to be the #1 cause of disability as well as the fifth cause of death.

We hope you can continue to be a great part of our campaign. Please mark your calendar and join us for next years Luncheon, taking place on **Thursday, May 18, 2023** at the **American Bank Center**. Go Red For Women 2023 is being Co-Chaired by **Peggy and Avinash Ahuja** and **Shannon and Dr. Bryan Gulley**. We hope we can count on you for your support.

Within the next month, we will be in touch with you, in person or by phone. Thank you again for your partnership with the American Heart Association's Go Red For Women and for being a powerful leader in our women's movement. Together we are a relentless force for a world where we can enjoy longer and healthier lives.

Our deepest appreciation and gratitude go to you for your partnership and support.

Sincerely,

Dear Mr. Barrera,

On behalf of our Board of Directors, staff, and the children in foster care we serve, we would like to personally thank you for your generous donation of \$750 towards a split Bay sponsorship for our Annual Luncheon.

Over 40,000 children and youth in foster care in South Texas have received our assistance since 1999. Your contribution allows us to continue providing these children with items and experiences they otherwise wouldn't have: birthday gifts, new clothing, laptops, attending a camp, or a new bed with clean bedding – among many other needs.

Our intention is to provide them with a better quality of life and a sense of normalcy, which you're making possible. Your support is a reminder that these children are not forgotten and sends a positive message, giving them the hope they need to succeed. Your donation, no matter the amount, will have a lifelong impact on a child in foster care. Thank you for being a "Foster Angel".

Dear Mr. Hernandez:

On behalf of Jane H. Macon, our Board President, and the Greater San Antonio After-School All-Stars, I extend our appreciation for the \$2,500 contribution for the benefit of our students.

For the current 2021-2022 school year, we have expanded our reach and increased our level of services. We are conducting comprehensive after school programs to students in 39 schools in the Edgewood and San Antonio Independent School Districts. In addition, we have been awarded the fourth year of a 21<sup>st</sup> Century Community Learning Centers grant by the Texas Education Agency for five schools in the Edgewood Independent School District. This grant is supplemental to the services we already provide.

It is through your assistance that we can continue to provide opportunities for positive choices and behaviors, academic enhancement, and enrichment experiences to students in our community. Thank you for your support of our programs and its goals.

Sincerely,

Patricia Karam, Ph.D.  
Executive Director

Dear Bob and Laura,

Thank you for your generous financial contributions to Austin Habitat for Humanity in 2021. With your support and commitment to building community with us, we completed our 500<sup>th</sup> home build last year! While not without its challenges, 2021 was a year of exciting growth and progress, enabling Austin Habitat to serve more hard-working families in Central Texas.

Here are some of the things we accomplished in 2021 with your support:

- Welcomed 25 families into their new Habitat homes
- Completed critical home repairs for 23 Central Texas homeowners, allowing them to remain safely in their homes and continue to access the community
- Opened our third ReStore at 13805 N US-183 in Northwest Austin
- Began infrastructure work on our largest development to-date – the 126-home Persimmon neighborhood

Giving to Austin Habitat is an investment in the future of local families and our entire community. Homeownership is the fastest way for individuals to build wealth and positively impacts families for generations to come. A community thrives because of the people who live in it, and by giving our neighbors a hand up, you help our community prosper.

Enclosed is a summary of your 2021 contributions. If this is incorrect, please let us know.

If you have any questions about Austin Habitat for Humanity or the support you have provided, please feel free to contact me at 512-472-8788 x 419.

Sincerely,

Mary Campana

Harper's Embrace Lifesaver Program (H.E.L.P.) has served San Antonio and the surrounding community for the last 19 years. In that time, H.E.L.P. has provided FREE CPR Training for thousands of individuals and organizations and thru that effort, has contributed to saving countless lives. Our organization has enjoyed wonderful support from donors such as yourself and we could not have done such amazing work if not for your generosity. Thank you!

Although we have been very successful and feel a deep sense of pride in all we have been able to accomplish, in recent years, our organization has seen a sharp increase in cost to provide CPR training. Online CPR curriculum, although perhaps not as effective, has been increasingly popular for our would-be participants. Additionally, the COVID epidemic created a scarcity of both participant and CPR instructors. This combination of factors has led the Harper's board to reason that our organizations mission as currently structured is not sustainable long-term. In light of that reasoning, we have elected to dissolve Harper's Embrace Lifesaver Program in this year, 2022. In the coming weeks, we will work to finalize the wind down of our organization. We will continue to provide CPR classes over the next several weeks. Additionally, we will donate our current assets to charitable causes that, not unlike H.E.L.P., work to provide lifesavings skills within our community. As a board, we are very pleased to be able to provide these gifts so that the legacy of H.E.L.P and especially the legacy of Harper Peebles, our namesake, can endure.

I would like to thank our organizational founders, Dr. Richard Reyna, Dr. Manuel Quinones, Dr. Rowland Reyna and the People's family. Their vision will leave a lasting impact on our community. I would also like to thank our past and present board members for their contributions along with Tricia Lopez and Jenny Shreve who have operated the H.E.L.P. mission day to day for many years. Lastly, I want to communicate on behalf of our board our most heartfelt appreciation for you, and your support of Harper's Embrace LifeSaver Program.

Dear Mr. Nixon,

The Kiwanis Club of Laredo would like to extend its appreciation and gratitude for hosting our Annual Top Cadet & Scholarship Luncheon. The luncheon was a huge success thanks to IBC.

Having the event at the IBC Annex Ballroom elevated the ceremony to a prestigious level. In attendance were County Judge Tano Tijerina, Mayor Pete Saenz, David Gonzalez, UISD Superintendent, Dr. Gerardo Cruz, Assistant LISD Superintendent, and Melissa Peña who is a representative from Congressman Cuellar's Laredo Office, all of which were very pleased with the event. We received plenty of media coverage since both KGNS TV and The Laredo Morning Times covered it. Every year this awards luncheon gets better and better thanks to the generosity of our community corporations and business partners, such as you. Lunch was very tasty and the IBC staff was courteous and helpful as always.

At this time The Kiwanis Club of Laredo would like to extend an invitation to you to be next year's speaker. With your military background and a prominent businessperson in our community, we know that the JROTC cadets and their families will be inspired by what you have to say. We would be honored if you are able to accept our invitation.

We would also like to request that IBC schedule our event on the calendar for May 9, 2023, if available, to secure the Annex Ballroom.

We are including a picture of our scholarship luncheon and the happy scholarship recipients.

Again, thank you for your generosity.

Sincerely,

Monica Martinez

Thank you for your gift of \$15,000.00 on 11/03/2021 to The Leukemia & Lymphoma Society (LLS). Your kindness is bringing better treatments and new hope to patients here in The South Texas Chapter and in communities across the country.

By partnering with LLS, you are helping to achieve remarkable progress. Through innovative research you are advancing our understanding of blood cancer and how to fight it, and helping to deliver safer, more effective treatments to patients. Your generosity is connecting patients and families with information, education and support that helps them understand their diagnosis, find the best treatment and access the care they need. You are also ensuring that the patient's voice is heard through advocacy and outreach in legislatures at the state and national level. And, thanks to your support, LLS advances major efforts like Beat AML and The LLS Children's Initiatives to fundamentally transform the standard of care for patients.

This lifesaving work is possible because of you. Once again, thank you for your partnership in the fight against blood cancer.

Mrs. Rosie Rodriguez,

Thank you for coming to the auction this year and purchasing my rabbits. I really appreciate your generosity in support of the 4-h program and MCFLA. This was my first year raising pen rabbits for the fair. It was hard to get up early in the morning and take care of them, but my hard work paid off in the end. Thank you for supporting me and my blue ribbon bunnies. All of the money from the sale of my rabbits will go directly into my MIT college savings account. Thank you again for being so awesome!

Dear Rosie & IBC,

Thank you so much for your support of our 2022 POWER of the Purse fundraiser. Our event was a huge success this year raising \$60,000 to towards the purchase of new ICU beds at Matagorda Regional Medical Center. We appreciate your support.

We are proud to announce that as of May 13, 2022, largely due to the generosity and support of our community and corporate partners, MRMC was able to purchase and install brand new Progressive ICU bed systems in all of our ICU rooms!

You helped make this great day possible and we thank you from the bottom of our hearts.

Sincerely,

## MRMC's New ICU Beds Reflects Power of Community Giving

Matagorda County residents are known as hard-working and independent people who take care of each other. We see evidence of the hard-working values and the independent mindset every time we walk out the door, but today, we'd like to draw your attention to (and celebrate!) the part where we take care of each other.

Over the past two years alone, more than 2,600 patient days have been logged in MRMC's Intensive Care Unit (ICU). This increased volume brought a lot of wear and tear to our ICU beds, which are generally the largest and most expensive piece of non-robotic standard equipment in each room.

Modern, high-quality ICU beds are comfortable and make it easier for clinical teams to provide advanced care. These beds also support early patient mobility and offer increased safety functions with microclimate surfaces, nurse call and comfort controls, and sophisticated alert features. They also cost upwards of \$35,000 each, and MRMC needed six of them.

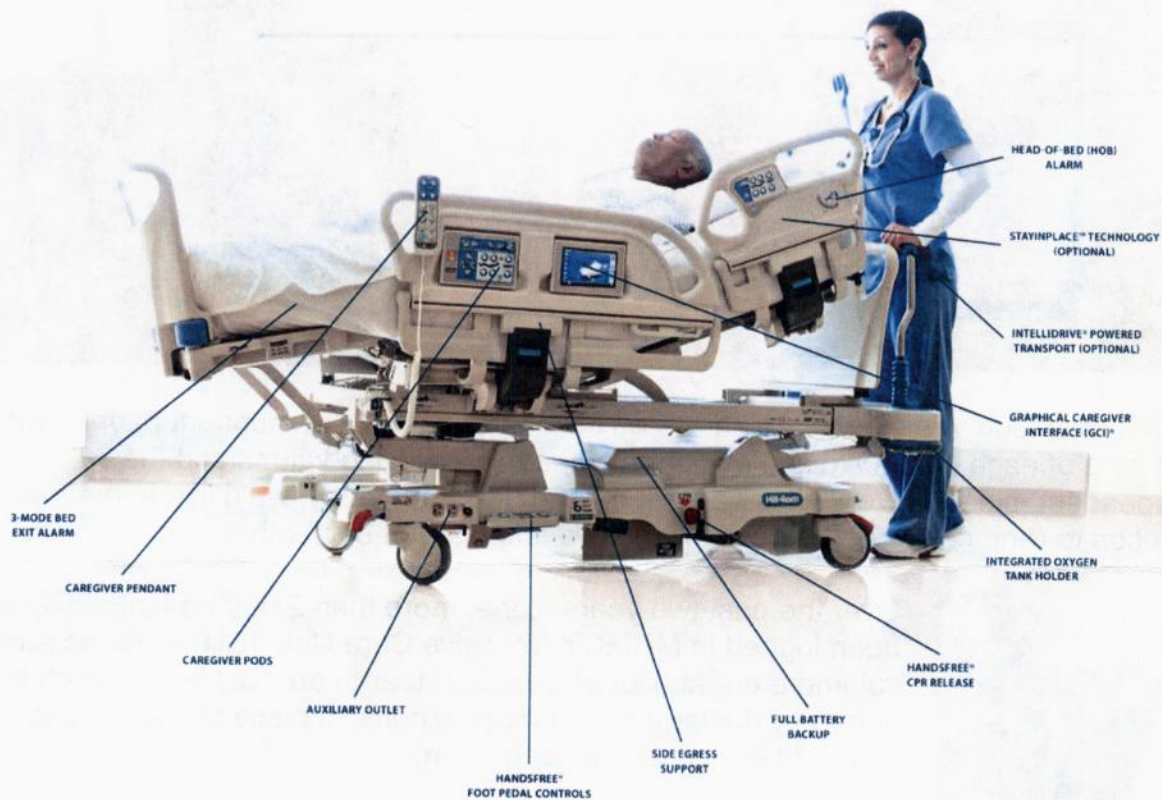

We're proud to announce that as of May 13<sup>th</sup> 2022, largely due to the generosity and support of our community and corporate partners, MRMC was able to purchase and install brand new Progressa ICU bed systems in all of our ICU rooms!

To all who have supported and continue to support these efforts through planned giving, sponsorships, and participation in our hospital and MRMC Foundation events, we simply cannot thank you enough. Your time, your effort, and your financial support is

directly and materially reflected in these much-needed upgrades to a hospital department which serves some of our most vulnerable populations.

You have made this great day possible, and on behalf of all the critical care patients and their families who will benefit from your generosity for years to come, we thank you from the bottom of our hearts.

Thank you for adding to my auction hog project. I had so much fun raising my 2 hogs, heifer, and steers. It was a lot of work. With my auction money, I will be able to buy next year hog and steer projects. I have so much more to learn.

Thank you for supporting me and the other kids at the auction this year. Hope to see you next year.

Dear Gus Barrera,

Hi, my name is Raelynn Thomas. I am writing this letter to personally thank you for helping purchase my projects at the San Patricio and Aransas County livestock auction. I am 14 years old and I have been showing pigs for 6 years old. I am thankful for the opportunity I have to show because of all the responsibilities and life lessons I learn along the way. I plan on putting the money I made this year in a savings account to go towards college. I plan to become a doctor one day and be successful at it. I also plan on using some of the money towards next years project.

Once again I want to say thank you for supporting me as well as the other youth of today.

Dear Dennis,

On behalf of the Phil Hardberger Park Conservancy, we want to express our gratitude to you for sponsoring our *Into the Wild* celebration. IBC's donation of \$5,000, received March 28, 2022, is greatly appreciated.

IBC's contribution will help the Conservancy continue its work to assure Phil Hardberger Park remains a beautiful space where people can connect to nature. The gift will also bring children from throughout our city to the park so that they can go into the wild and discover the wonders of nature. The expression on a child's face as they uncover a butterfly egg or spot a deer for the first time is priceless. But it takes money to bring them to the park, train the teachers and volunteers who guide them, and to provide the supplies needed to explore. Thanks to your generosity, the Conservancy can provide all of these.

Our mission by preserving Phil Hardberger Park and its natural history, is to inspire learning, and create connections and engagement for enhanced well-being for all. Part of that goal is to inspire a love of nature in children, so that they will grow into adults who understand and appreciate the need to protect it.

Thank you for helping us keep Hardberger Park wild and for assuring that children throughout our city can enjoy all that it has to offer.

*Dennis, thank you  
for your guide  
& impressive  
faller through.

Sincerely,

Dear Allen,

Thank you for supporting Preservation Austin's "Out of the House," Spring Tour! We are thrilled to return to an in-person event for our Austin community. Our "Out of the House" Spring Tour celebrates iconic cultural, commercial, and institutional spaces that speak to our city's expansive history. The success of our Homes Tour means so much to our nonprofit and has a profound impact on our advocacy efforts and educational programming throughout the year. We could not accomplish our mission without the dedication of folks like you! Your generous \$10,000 sponsorship made our work possible.

Our Homes Tour is so special because it helps our community experience Austin's neighborhoods in a new and personal way, with an expanded view of what it means to preserve our heritage.

Thank you again for your generous support!

Dear Curtis:

*Heroes come in many forms – all that matters is that they are yours.* Our community is one that recognizes the importance of honoring our heroes – and for that we should all be immensely proud. Thank you for your support of our fifth annual Flags for Heroes Corpus Christi project. A special thanks to those who have sponsored flags for multiple years. Enclosed please find your recognition tag(s) in honor of/ in memory of your hero(es).

Exactly 1,800 flags lined Ocean Drive at Doddridge Park, Ropes Park, Oleander Point, and Cole Park (Phases I and II) the week of Veterans Day. This unique patriotic display touches the lives of many. This display has become so much more meaningful to our community than we could have ever imagined. We always enjoy hearing your personal stories about your heroes and military family members.

We were also happy to have our Dedication Ceremony inside First Baptist Church and our fun "Honk Your Horn for Your Heroes" event on Veterans Day. Everyone was pleasantly surprised by both the volume and enthusiasm of those who drove past the beautiful flag display.

Special thanks again to our team of volunteers and supporting sponsors who made this possible. Proceeds from this project will help support local community service projects and scholarships. So, on behalf of the Rotary Club of Corpus Christi and all of our heroes, thank you for your support of this important project for our community.

Very truly yours,

Dear Mr. Clark:

On behalf of the youth we serve, the board members and I would like to thank you for supporting the Fannie Bluntzer Nason Renewal Center, Inc., dba The Spirit Center by supporting our Celebrity Dinner "Noche Cubana Tropical" event. Without your support, we could not continue our mission of providing a place for spiritual, educational, and social development for the youth of South Texas.

Securing sponsors for this important fundraiser is especially important where youth groups of many faiths can seek the tranquility of natural beauty and peace for their spiritual, educational, leadership, and social development.

Your generous support of **\$2,500.00** is a great vote of confidence in our mission. As a sponsor, you will receive thanks and recognition on our social media sites.

Enclosed are your tickets for the event at the Corpus Christi Country Club on April 7, 2022. This year our guest will have the opportunity to dance with six Celebrity Dancers. Celebrity Dancers with the most dancing tips at the end of the evening will be crowned the "2022 Star Celebrity Dancer" and receive a trophy for displaying at their place of business or employment. Dancers will receive tips via Funny Money for each dance they have with our guests.

The event is a casual relaxed atmosphere, so wear your tropical attire and dancing shoes! We are happy and excited that you will be joining us for a Fun-Filled Evening taking us back to the Streets of Cuba!

We look forward to working with you in future endeavors and hope that we can continue to count on your support.

Gus:

On behalf of the student-athletes, coaches and staff of Texas A&M University-Corpus Christi Athletics, thank you for your recent contribution to the Islander Athletic Fund Casino Night Fund and the Islander Athletic Fund. Your gift is impacting the lives of our student-athletes through scholarships and program enhancements. This has allowed these hardworking young men and women to pursue excellence in competition, in the classroom and in service to the community. A few of their recent accomplishments include:

- Our men’s basketball team completed a thrilling turn around season under first-year head coach Steve Lutz by winning the Southland Conference Tournament championship. They qualified for the NCAA tournament for the first time since 2007.
- Our women’s cross country and women’s volleyball teams won Southland Conference championships in the fall of 2021 and represented our university in NCAA postseason competition.
- Our student-athletes have achieved above a 3.0 cumulative GPA for 15 straight semesters, including a 3.30 departmental GPA in fall 2021.
- Our student-athletes renewed their commitment to community service in Corpus Christi and the Coastal Bend during the fall of 2021, serving at events such as the Conquer the Coast bike ride, Rotary Flags for Heroes, the Coastal Bend Heart Walk and more.

These achievements are only possible because of your generosity. Your continued support is critical as we work to build on our successes to become the premier program in the Southland Conference and represent our university on the national stage.

Again, thank you for your support and we look forward to seeing you at a game in the future. Go Islanders!

Sincerely,

Dear Brandon:

The Ark Assessment Center and Emergency Shelter for Youth wishes to acknowledge receipt of the International Bank of Commerce's generous "*IT'S A BRIGHTER CHRISTMAS DONATION*" in the amount of \$850.00 (Check No. 18000675 dated Dec. 21, 2021).

The reality of abused, neglected and displaced minors being away from their families during the Christmas season is sad. Our goal each Christmas season is to give these precious ones a beautiful experience that makes a big difference in their lives, especially on Christmas Day. They have Christmas spirit because they have hope. Your wonderful act of charity for our residents helps to ensure they remain that way.

Our little ones will know Santa Claus stopped at the shelter with toys for them. They'll eagerly tear off the wrapping paper to reveal presents with broad smiles. They deserve to have those feelings and enjoy these moments — just like other children. They'll also receive new shoes, dress clothing for Christmas Day and casual clothing, as well as food prepared especially for that day. The residents will get more new clothing on Jan. 6 for the Feast of the Epiphany (also called Three Kings' Day), the concluding holiday of the Christmas season. The clothes are important because they usually arrive at The Ark with only what they're wearing. The minors leave with the clothes upon discharge. It's not easy replacing the best gift that every child deserves on Christmas — being with his or her family. The International Bank of Commerce has my gratitude for its benevolence that will provide these precious ones with a memorable and best possible Christmas experience, enabling us to achieve our goal.

It's truly a joy to know there are kind folks like those at IBC who support our efforts to care for these youngsters. May the Lord bless and keep all of you safe now and always.

Sincerely,

Delma Trejo

Laredo, TX 78040-6301

Dear Mr. Castillo,

On behalf of the TSHA Board of Directors, I want to extend my heartfelt gratitude for your support of the Texas State Historical Association's 126th Annual Meeting. Held at the AT&T Conference Center on the University of Texas at Austin's campus, our meeting hosted over 500 registrants, 39 panels, 23 exhibitors, and 8 special events. Despite the difficulties of the pandemic and the inclement weather in North Texas, we were able to bring together folks from around the state to discuss the pressing topics of our state's history and culture. Thank you very much for your commitment to Texas history!

The Annual Meeting is the flagship event of the TSHA, and we hope to continue to inspire generations of historians to come. We gather attendees from academic historians, independent historians, book sellers and collectors, preservationists, archivists, and many others involved in the important work of preserving and promoting Texas history. The dedication and support of our generous sponsors makes this important event possible.

As we look forward to the 2023 Meeting, which will be held March 2-4, 2023 in El Paso, please know that partnerships with our sponsors are vital to the continued success of our events and to the longevity of our organization. Your support is truly appreciated.

Thank you,

youth  
odyssey

Dear Curtis,

Thank you so much for your generous gift of \$500.00 on February 22, 2022, sponsoring our Summer Fiesta on April 21<sup>st</sup>. This event will raise money for our summer and fall programming. Programming that is vital for so many youth who are in need of positive connection. Your donation is making it possible for our team to reach that "one more youth" who is in desperate need of a positive role model. You Curtis, are helping us make that happen.

Due to family and financial circumstances, 95% of our youth would not be able to have a true sleepover-camp experience if it were not for wonderful donors like yourself. We know the impact summer camps and programs had on us growing up and we believe every youth ought to have that same opportunity as well. Thank you for believing in our programs and our youth.

Our mission is to inspire, engage and empower disadvantaged and underserved youth through leadership development, life skills, and outdoor activities. These experiences mean the difference between going to jail or going to college. It could mean the difference between committing a crime and reaching out for help. Our overall goal is to effect social change in disadvantaged and underserved youth by providing programming that increases their resilience attributes and decreases risk factors such as gang violence, substance abuse, teen pregnancy, and highschool dropouts through appealing, healthy adventure challenges.

This year will hold many positive adventures for our community's youth as they learn about themselves, how to make good decisions, and experience all the outdoors has to offer. Thank you again for your support. Be on the lookout for your personalized thank you letter from a youth (late August). Have a wonderful day!

Sincerely,

  
Becky Meyer
